EXECUTIVE SUMMARY

Motivated Frontend Developer & UI/UX Designer with strong creative thinking and a passion for building clean, user-friendly digital experiences. Skilled in Figma, HTML, CSS, and JavaScript, with a growing foundation in software development. As a fresher, I actively work on projects to enhance my practical experience, focusing on responsive design, interactive interfaces, and visually appealing layouts. I am a fast learner, good communicator and eager to contribute to real-world projects while continuing to improve in frontend technologies. Seeking an opportunity to start my career and add value through creativity, commitment, and effective problem-solving.

EXPERIENCE

AI SEMINAR - ESOFT METRO CAMPUS | 2025

- Conducted an AI awareness seminar for school students
- Explained AI concepts and industry use cases in simple terms
